MID-AMERICA
SEMINARY * COLLEGE

MID-AMERICA OFFERS MORE **OPTIONS** THAN EVER TO EQUIP BIBLICAL LEADERS.

BUT OUR COMMITMENT TO THE
BIBLE, MISSIONS, AND EVANGELISM WILL NEVER BE **OPTIONAL**.

PREPARE WITH US.

Fifty years ago, Mid-America did one thing and did it very well—prepared men to preach. Today, the seminary that never stopped believing the Bible has never stopped equipping biblical leaders and instilling in them a passion for the Bible, missions, and evangelism. But that's just the beginning. We now have 39 fully accredited degree programs—including Associate, Bachelor's, Master's, and Doctoral degrees—plus other options, such as dual enrollment, certificate training, night classes, and much more. Check out your options at mabts.edu/admissions.
